COMMON INTEREST DEVELOPMENT GENERAL INFORMATION

Common Interest Development

The project described in the attached Subdivision Public Report is known as a common-interest development. Read the Public Report carefully for more information about the type of development. The development includes common areas and facilities which will be owned and/or operated by an owners' association. Purchase of a lot or unit automatically entitles and obligates you as a member of the association and, in most cases, includes a beneficial interest in the areas and facilities. Since membership in the association is mandatory, you should be aware of the following information before you purchase:

Governing Instruments

Your ownership in this development and your rights and remedies as a member of its association will be controlled by governing instruments which generally include a Declaration of Restrictions (also known as CC&R's), Articles of Incorporation (or association) and bylaws. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law. Study these documents carefully before entering into a contract to purchase a subdivision interest.

Assessments

In order to provide funds for operation and maintenance of the common facilities, the association will levy assessments against your lot or unit. If you are delinquent in the payment of assessments, the association may enforce payment through court proceedings or your lot or unit may be liened and sold through the exercise of a power of sale. The anticipated income and expenses of the association, including the amount that you may expect to pay through assessments, are outlined in the proposed budget. Ask to see a copy of the budget if the subdivider has not already made it available for your examination.

Common Facilities

A homeowner association provides a vehicle for the ownership and use of recreational and other common facilities which were designed to attract you to buy in this development. The association also provides a means to accomplish architectural control and to provide a base for homeowner interaction on a variety of issues. The purchaser of an interest in a common-interest development should contemplate active participation in the affairs of the association. He or she should be willing to serve on the board of directors or on committees created by the board. In short, "they" in a common interest development is "you". Unless you serve as a member of the

governing board or on a committee appointed by the board, your control of the operation of the common areas and facilities is limited to your vote as a member of the association. There are actions that can be taken by the governing body without a vote of the members of the association which can have a significant impact upon the quality of life for association members.

Subdivider Control

Until there is a sufficient number of purchasers of lots or units in a common interest development to elect a majority of the governing body, it is likely that the subdivider will effectively control the affairs of the association. It is frequently necessary and equitable that the subdivider do so during the early stages of development. It is vitally important to the owners of individual subdivision interests that the transition from subdivider to resident-owner control be accomplished in an orderly manner and in a spirit of cooperation.

Cooperative Living

When contemplating the purchase of a dwelling in a common interest development, you should consider factors beyond the attractiveness of the dwelling units themselves. Study the governing instruments and give careful thought to whether you will be able to exist happily in an atmosphere of cooperative living where the interests of the group must be taken into account as well as the interests of the individual. Remember that managing a common interest development is very much like governing a small community ... the management can serve you well, but you will have to work for its success. [B&P Code Section 11018.1(c)]

INTEREST TO BE CONVEYED: You will receive fee title to a specified unit, an undivided fractional fee interest as tenant in common in the common area together with a membership in the Bakman Court Homeowners Association and rights to use the common area.

LOCATION AND SIZE: This subdivision is located at 5016-5026 N. Bakman Avenue within the city limits of Los Angeles. Prospective purchasers should acquaint themselves with the types of city services available.

This is a single-phase project which consists of approximately .59 acres on which 1 building containing 39 units over a Two-Level Subterranean parking structure including 103 parking spaces have been provided.

Common amenities and/or facilities consisting of landscaping, drives, walkways, exercise room, gym equipment, lobby, hallways, furniture, courtyard, storage room, trash room, electric room, restroom, sauna, catch basin, storm drain, walls, fences, lighting, stairs, garage ventilation, elevator, mailbox and access control will be constructed.

MANAGEMENT AND OPERATION: The Bakman Court Homeowners Association, of which you become a member at time of purchase, manages, maintains and operates the common area(s) in accordance with the Covenants, Conditions and Restrictions, Articles of Incorporation, and the Bylaws.

MAINTENANCE AND OPERATIONAL EXPENSES: The subdivider has submitted a budget for the management, maintenance and operation of the common areas and for long-term reserves. This budget was reviewed by the Department of Real Estate July 2008. You should obtain a copy of this budget from the subdivider. Under this budget, the monthly assessment against each subdivision interest will be \$297.00 of which \$56.83 is a monthly contribution to long-term reserves and is not to pay for current management, maintenance and operating expenses.

THE UTILITY RATES USED FOR THE CALCULATIONS WITHIN THIS BUDGET ARE BASED ON INFORMATION AVAILABLE AT THE TIME OF THE BUDGET REVIEW DATE (AS SHOWN ABOVE). INCREASES IN REGULAR ASSESSMENTS OR SPECIAL ASSESSMENTS MAY BE REQUIRED AS A MEASURE TO PROVIDE ADEQUATE FUNDS TO COMPENSATE FOR POTENTIAL UTILITY RATE INCREASES. PURCHASERS SHOULD BE AWARE OF THE POSSIBLE AFFECT THESE INCREASES MAY HAVE ON THEIR HOMEOWNER ASSESSMENTS.

IF THE BUDGET FURNISHED TO YOU BY THE SUBDIVIDER SHOWS A MONTHLY ASSESSMENT FIGURE WHICH IS AT LEAST 20% MORE OR AT LEAST 10 % LESS THAN THE ASSESSMENT AMOUNT SHOWN IN THIS PUBLIC REPORT, YOU SHOULD CONTACT THE DEPARTMENT OF REAL ESTATE BEFORE ENTERING INTO AN AGREEMENT TO PURCHASE.

The association may increase or decrease assessments at any time in accordance with the procedure prescribed in the Restrictions or Bylaws. In considering the advisability of a decrease (or a smaller increase) in assessments, care should be taken not to eliminate amounts attributable to reserves for replacement or major maintenance.

THE BUDGET INFORMATION INCLUDED IN THIS PUBLIC REPORT IS APPLICABLE AS OF THE DATE OF BUDGET REVIEW AS SHOWN ABOVE. EXPENSES OF OPERATION ARE DIFFICULT TO PREDICT AND EVEN IF ACCURATELY ESTIMATED INITIALLY, MOST EXPENSES INCREASE WITH THE AGE OF FACILITIES AND WITH INCREASES IN THE COST OF LIVING.

Monthly assessments will commence on all units in this project on the first day of the month following the closing of the first sale of a unit.

The remedies available to the association against owners who are delinquent in the payment of assessments are set forth in the Restrictions. These remedies are available against the subdivider as well as against other owners.

The subdivider has deposited funds in escrow as partial security for the obligation to pay these assessments. The governing body of the association should assure itself that the subdivider has satisfied these obligations to the association with respect to the payment of assessments before agreeing to a release or exoneration of the security.

EASEMENTS: Easements for utilities, drainage, rights-of-way and other purposes are shown on the title report and subdivision map recorded in the Office of the Los Angeles County Recorder, Book 1359 of Maps, Pages 19 through 20 and Condominium Plan recorded on December 4, 2009 as Instrument No. 2009-1836875.

Amendments to the original condominium plan may also be recorded. You may ask the subdivider about such changes. If you purchase a unit, this information will be included in your title policy.

RESTRICTIONS: This subdivision is subject to Restrictions recorded in the Office of the Los Angeles County Recorder, on December 4, 2009 as Instrument No.2009-1836876 and any amendments and supplementals made thereof.

USES, ZONING AND HAZARDS: To the north, south, east and west of this project is all residential property. CBS Studio is approximately 1.5 miles west; Studio City Golf Course is approximately 3 miles west; Wilacre Park is approximately 2.5 miles southwest; Weddington Park is approximately 3 miles east; Lakeside Country Club is approximately 4.5 miles east; Universal Studios is approximately 4.5 miles east; Laurel Canyon Park is approximately 3.5 miles south. The Los Angeles River runs .25 miles south of the project; Ventura Freeway 101, Hollywood Freeway 134 and Highway 134 all run together approximately 2 miles north of the project.

TAXES: The maximum amount of any tax on real property that can be collected annually by counties is 1% of the full cash value of the property. With the addition of interest and redemption charges on any indebtedness, approved by voters prior to July 1, 1978, the total property tax rate in most counties is approximately 1.25% of the full cash value. In some counties, the total tax rate could be well above 1.25% of the full cash value. For example, an issue of general obligation bonds previously approved by the voters and sold by a county water district, a sanitation district or other such district could increase the tax rate.

For the purchaser of a lot or unit in this subdivision, the full cash value of the lot will be the valuation, as reflected on the tax roll, determined by the county assessors of the date of purchase of the lot or as of the date of completion of an improvement on the lot if that occurs after the date of purchase.

Notice of Your 'Supplemental' Property Tax Bill

California property tax law requires the Assessor to revalue real property at the time the ownership of the property changes. Because of this law, you may receive one or two supplemental tax bills, depending on when your loan closes. The supplemental tax bills are not mailed to your lender. If you have arranged for your property tax payments to be paid through an impound account, the supplemental tax bills will not be paid by your lender. It is your responsibility to pay these supplemental bills directly to the Tax Collector. If you have any questions concerning this matter, please call your local Tax Collector's Office.

ASSESSMENTS: This subdivision lies within the boundaries of the Landscape Lighting District No. 96-1 and Los Angeles County Park District, and are subject to any taxes, assessments and obligations thereof. These districts were formed to provide landscape, lighting and park services. The District budget for each fiscal year will be based upon the

actual costs provided for in the awarded contract for these services. This means assessments can fluctuate from year to year as contracts expire. The administration of this district will be provided by County of Los Angeles.

CONDITIONS OF SALE: Pursuant to Civil Code Sections 2956 through 2967, inclusive, subdividers and purchasers must make certain written disclosures regarding financing terms and related information. The subdivider will advise purchasers of disclosures needed from them, if any.

If your purchase involves financing, a form of deed of trust and note will be used. The provisions of these documents may vary depending upon the lender selected. These documents may contain the following provisions:

Acceleration Clause: This is a clause in a mortgage or deed of trust which provides that if the borrower (trustor) defaults in repaying the loan, the lender may declare the unpaid balance of the loan immediately due and payable.

Due-On-Sale Clause: If the loan instrument for financing your purchase of an interest in this subdivision includes a due-on-sale clause, the clause will be automatically enforceable by the lender when you sell the property. This means that the loan will not be assumable by a purchaser without the approval of the lender. If the lender does not declare the loan to be all due and payable on transfer of the property to you, the lender is nevertheless likely to insist upon modification of the terms of the instrument as a condition to permitting assumption by the buyer. The lender will almost certainly insist upon an increase in the interest rate if the prevailing interest rate at the time of the proposed sale of the property is higher than the interest rate of your promissory note.

A Balloon Payment. This means that your monthly payments are not large enough to pay off the loan, with interest, during the period for which the loan is written and that at the end of the loan period, you must pay the entire remaining balance in one payment. If you are unable to pay the balance and the remaining balance is a sizeable one, you should be concerned with the possible difficulty in refinancing the balance. If you cannot refinance or sell your property, or pay off the balloon payment, you will lose your property.

A Prepayment Penalty. This means that if you wish to pay off the loan in whole or in part before it is due, you must, in addition pay a penalty.

A Late Charge. This means that if you fail to make your installment payment a specified number of days after the due date, you, in addition, must pay a penalty.

The subdivider may assist you in arranging financing from a federal or state regulated lender which will make loans that allow the interest rates to change over the life of the loan. An interest rate increase ordinarily causes an increase in the monthly payment that you make to the lender. The lender will provide you with a disclosure form about the financing to assist you in the evaluation of your ability to make increased payments

during the term of the loan. This disclosure form will be furnished to you at the time you receive your loan application and before you pay a nonrefundable fee.

BEFORE SIGNING, YOU SHOULD READ AND THOROUGHLY UNDERSTAND ALL LOAN DOCUMENTS.

PURCHASE MONEY HANDLING: The subdivider must impound all funds (purchase money) received from you in an escrow depository until legal title is delivered to you. (Refer to Business and Professions Code Sections 11013, 11013.1, 11013.2(a)).

If the escrow has not closed on your unit within one (1) year of the date of your purchase agreement/contract, you may request the return of your purchase money deposit.

Note: Section 2995 of the Civil Code provides that no real estate subdivider shall require as a condition precedent to the transfer of real property containing a single family residential dwelling that escrow services effectuating such transfer shall be provided by an escrow entity in which the subdivider has a financial interest of 5% or more.

THE SUBDIVIDER HAS NO FINANCIAL INTEREST IN THE ESCROW COMPANY WHICH IS TO BE USED IN CONNECTION WITH THE SALE OR LEASE OF UNITS IN THIS SUBDIVISION.

SOILS CONDITIONS: Soils information is available at: City of Los Angeles Planning Department 200 N. Spring Street, Room 525 Los Angeles, CA 90012. Some lots contain filled ground. Information concerning filled ground is located at the same agency.

GEOLOGIC CONDITIONS: THE UNIFORM BUILDING CODE, APPENDIX CHAPTER 33, PROVIDES FOR LOCAL BUILDING OFFICIALS TO EXERCISE PREVENTIVE MEASURES DURING GRADING TO ELIMINATE OR MINIMIZE DAMAGE FROM GEOLOGIC HAZARDS SUCH AS LANDSLIDES, FAULT MOVEMENTS, EARTHQUAKE SHAKING, RAPID EROSION OR SUBSIDENCE. THIS SUBDIVISION IS LOCATED IN AN AREA WHERE SOME OF THESE HAZARDS MAY EXIST. SOME CALIFORNIA COUNTIES AND CITIES HAVE ADOPTED ORDINANCES THAT MAY OR MAY NOT BE AS EFFECTIVE IN THE CONTROL OF GRADING AND SITE PREPARATION.

PURCHASERS MAY CONTACT THE SUBDIVIDER, THE SUBDIVIDER'S ENGINEER, THE ENGINEERING GEOLOGIST AND THE LOCAL BUILDING OFFICIALS TO DETERMINE IF THE ABOVE-MENTIONED HAZARDS HAVE BEEN CONSIDERED AND IF THERE HAS BEEN ADEQUATE COMPLIANCE WITH APPENDIX CHAPTER 33 OR AN EQUIVALENT OR MORE STRIDENT GRADING ORDINANCE DURING THE CONSTRUCTION OF THIS SUBDIVISION.
